

## *Notre Dame Parish Wedding Music Guidelines*

Congratulations on your upcoming wedding! We have great musicians available for any kind of wedding Mass or Ceremony that you envision; whether you prefer to keep things simple with just an organist and cantor, or quite elaborate with an organist, brass, strings, cantor, choir, or Irish musicians.

Music for the wedding Mass or Ceremony is planned by the couple with the Director of Music. Due to musical and liturgical requirements, only experienced Notre Dame musicians may play for weddings at Notre Dame Church, ensuring proper musical integration within the Mass or Ceremony.

You may have someone who is not affiliated with Notre Dame Church sing an appropriate piece of sacred music. We welcome family members and/or friends who want to participate in your wedding; however, we reserve the right to establish qualifications regarding anyone not associated with Notre Dame Church. Please do not make any arrangements before speaking with our staff.

The music for your wedding will vary depending on the type of wedding being celebrated such as wedding *Mass* vs. wedding *Ceremony*. If we meet in person, at least one member of the wedding couple must be in attendance at the meeting. Many times, relatives or friends will have opinions on what the couple should pick for music. Just remember this is YOUR wedding.

To schedule an appointment, please call Mr. Keefe directly at 630 - 601-1761 or send an email to: [mkeefe@notredameparish.org](mailto:mkeefe@notredameparish.org)

### *Mass or Ceremony*

During the meeting with the Pastor, the couple will determine if the marriage will be a *Nuptial Mass* or a *Marriage Ceremony*. The determining criteria will center on the religious backgrounds of the bride and groom.

The Sacrament of Marriage takes place within a liturgical celebration. Please know that the music director's job is to ensure that music used at a wedding incorporates God directly. Music that is not listed in the selection guide will need to be approved.

## *Fees – part 1*

The baseline fee for music is \$650.00. This includes both a Cantor/Soloist and a Pianist/Organist. All other fees described below are *in addition* to the baseline fee.

### **Director of Music / Pianist / Organist**

The director of music oversees the music for your wedding. Provided services include consultation, coordination and preparation of the selected music, hiring of cantors and instrumentalists, pipe organ and /or piano performance and presence at the wedding liturgy.

### **Cantor**

The cantor leads the liturgical music at your wedding and sings sacred solo repertoire. The role of the cantor is a unique one and it differs from simply singing as a soloist. Cantors must be thoroughly familiar with the musical requirements of the wedding liturgy. All of our wedding cantors are well-trained, professional singers.

Please indicate your preference as to which voice you prefer:

- Female (Soprano or Alto)
- Male (Tenor or Baritone)

### **Instrumentalists or Choir**

Instrumentalists can add significantly to the festivity of the wedding liturgy and we are often asked our opinions on what works best. If your budget allows for some flexibility, you'll maximize the quality of music by having a violinist. There's a substantial body of excellent music for violin; they often play during the prelude, processional, and recessional as well as many moments within the liturgy where they can be added to the congregational music and even on top of some solo vocal pieces.

The same can be said of the trumpet, cello, or flute. Harpists are always special in almost any environment and they, like all musical instruments, sound quite beautiful in our sanctuary. Any of the additional instruments listed below are completely optional and can help to enhance the music at your wedding. If you desire any additional instrumentalists, please check the appropriate boxes below:

- Trumpet - \$325.00
- Violin - \$325.00
- Cello - \$325.00
- Flute - \$325.00
- Harp - \$500.00
- String Duo (1 violin, 1 cello) - \$650.00
- String Trio (1 violin, 1 viola, 1 cello) - \$975.00
- String Quartet (2 violins, 1 viola, 1 cello) - \$1,500.00
- Brass Quartet (2 trumpets, 2 trombones) - \$1,500.00
- Brass Quintet - \$1,850.00
- Irish Instruments – TBD
- Guitar - TBD
- Choir - \$2,400.00 (Must be paid before choir is scheduled)
- Bagpipes - \$400.00
- Other – TBD

### *Fees – part 2*

Payment for all instrumentalists, music preparation, Cantor and organist are to be delivered or mailed to Notre Dame Church, 64 Norfolk Avenue, Clarendon Hills, IL 60514, to the attention of the director of music 30 days prior to the wedding.

*One check, in total, should be made out to Michael Keefe, not to the church.*

## ***Payment Policy***

If the wedding ceremony is cancelled fewer than 30 days before the wedding date, 50% of the fee is due. Wedding musicians have very limited hours during the week to ply their craft and once booked, pass up other work. Most weddings are booked at least 6 months in advance, depriving musicians the chance to pick up work on the last minute in the event of a cancellation.

Some people ask if any musicians will be present at the wedding rehearsal. Please know that the rehearsal is for the benefit of the wedding party, learning where and when to walk, etc. The organist, cantors and/or instrumentalist(s) do not normally attend rehearsals. Under special circumstances, we can arrange for the musicians to be present. There will be a fee for this presence. Please call or email to let us know your needs.

Notre Dame Church has a requirement that only the parish organist plays wedding services. Only under very special circumstances, with the approval of the Pastor and Director of Music, are visiting organists permitted to play wedding services at Notre Dame Church.

Music Director / Organist / Pianist Fees are based on the amount of music prep necessary for a given wedding. New arrangements, transcriptions, instrument parts, transpositions, and rehearsals all affect the final price. Notre Dame's Music Director will, following a final determination of ensemble, tally and communicate the final price to both the bride and groom.

***Note: Pages 5 – 24 contain music choices for your wedding. Please check the appropriate boxes and fill out either the Wedding Mass Form (page 25) or the Wedding Ceremony Form (page 26.)***

***The appropriate form needs to be emailed back to Mr. Keefe no later than 90 days before your wedding date.***

*~ Thank you ~*

## *Prelude and Gathering*

Prior to the beginning of the wedding liturgy, there is a period of approximately 15 minutes of Prelude instrumental and vocal music as guests arrive and are seated. Music during this time is selected at the discretion of the director of music and the music encompasses a combination of pieces that mirror the festive nature of the occasion as well as the quiet dignity of prayerful reflection. Depending on the musicians chosen, the music will encompass all the musicians/singers present, presenting a varied program. Special requests are always welcome.

## *Seating of the Parents & Grandparents*

Couples sometimes wish to have the seating of their parents highlighted and accompanied by a special piece of music. The seating of the parents takes place just prior to the procession of the clergy and wedding party so the music should be clearly different from that of the processional. A meditative vocal solo or relatively quiet instrumental piece is usually best suited here. If this is desired, please choose an appropriate vocal solo or instrumental selection from the possibilities listed below, or indicate that you have no preference:

## *Processionals*

The processionals are usually instrumental pieces. One piece should be chosen for the bridal party (please indicate your choice,) *and* one piece should be chosen for the bride (please indicate your choice.)

If the wedding is more intimate or if this is a second wedding, sometimes the wedding party size is much smaller. In this case it can be more appropriate to have just one processional for all:

## *Second Reading*

## *Gospel*

## *Homily*

## *Vows*

## *Rings*

## *Liturgy of the Eucharist*

If you have elected to have a wedding within a Mass, the Liturgy of the Eucharist centers upon the altar; a place of sacrifice and the table from which we as Christians are fed.

## *Presentation of the Gifts (aka Offertory)*

If you are planning a full Mass, the liturgy continues with music during the preparation of the altar. This usually takes very little time so a short selection is usually most effective at this point.

- Ave Maria – F. Schubert

<https://www.youtube.com/watch?v=pwp1CH5R-w4>

- And On This Day – T. English

<https://www.youtube.com/watch?v=9rnThAJi6T8>

- Instrumental only – selection made by Music Director

## ***Eucharistic Acclamations***

During the Mass, the Eucharistic Prayer follows next. The cantor leads the congregation in singing the responses within the prayer. They include the Holy, Holy, the Memorial Acclamation (Acclamation of faith), the Great Amen, and The Lamb of God. The responses are taken from standard liturgical repertoire.

## ***Sign of Peace***

Sometimes, the bridal couple present flowers to the mothers of both the bride and the groom. If you will be doing this, we like to have some quiet background music.

- Yes, we will present flowers to the mothers.
- No, we will not present flowers to the mothers.

## ***Communion Procession***

When selecting music for communion, please keep in mind the nature of the Eucharistic rite – a sign of the unity of everyone gathered. If you have a congregation that likes to sing, a congregational hymn would be very appropriate here. A vocal solo or meditative instrumental selection can work well here too. Please note that one piece of music is usually sufficient for communion:

### ***Devotion to the Blessed Virgin Mary (optional)***

If you plan on making a visit to Mary's altar, it will take place after communion (or after the Lord's Prayer if you're not having a full mass.) At this point in the liturgy, a meditation song could be sung by the vocalist as a reflection of the personal, devotional prayer of the bride and groom and of the whole congregation. Music during this moment is usually a Marian piece.

## ***Recessional***

The wedding recessional is usually a festive and joyous musical expression, most often played by the organ alone or with trumpet or other instruments. There are countless possibilities including these listed here. You might notice that some of these same pieces are listed as processions - they can work for either the entrance procession at the beginning of the wedding, or the exit procession at the end. The only difference is that usually they're played a little faster if used here at the end.
